thankfulness

In today's Gospel reading, Jesus cured ten lepers. Leprosy is a horrible disease that eats away at a person's body until they die. It was pretty amazing for those people when Jesus just told them to go and show themselves to the priests and they realized that they were cured!

THANKS FOR THIS AMAZING WEATHER!

But then something interesting happened. Only one of the ten who had been cured came back to say 'Thank you' to Jesus. Do you think that the other nine were not happy that they were better? Why do you think they didn't come back to thank Jesus?

THANK YOU FOR LETTING ME RECEIVE YOU!

Now think about your life. You've probably never had a disease like leprosy, but God has still done amazing things for you. He made you and gave you everything you need to live. He gave you your friends and family, and most especially He gives Himself to us in the Mass and at Holy Communion. Do you remember to say 'Thank you' to God?
