

Dear Jesus,

You love me just the way I am. Thank You!
Sometimes I don't live from the best that is in me,
sometimes, I make bad choices,
but You still love me and forgive me,
especially when I come to confession, thank You.
Jesus, I am getting ready to receive You in Holy
Communion.

I am working really hard to get ready.
My family, my teacher and my parish are all help-
ing me.

I don't really understand what it all means,
but Jesus, please help me to be ready to receive
You.

Bless my family, my teacher and all my friends in
school.

Help us all to best friends with You all through
our life.

Holy Mary, you are the Mother of GOD and my
other mother,

Take my hand and lead me closer to Jesus, your
Son.

Amen.
